* Orthopaedic Specialty Clinic – 1 (877) 464-1829 (Pricing in USD)

What is Included:

- Standard hospital room and board for up to four days (inpatient surgeries only – see the “Surgery Category” column in the above table)
- Orthopedic Surgeon procedure charges and inpatient surgeon visits, plus one post-hospitalization follow-up visit.
- Assistant Surgeon procedure charges and inpatient surgeon visits
- Anesthesiologist charges
- Radiologist charges during hospitalization (inpatients only – Radiologists’ services not typically required during arthroscopic surgeries)
- Standard prosthetic implants (inpatients only – not required for arthroscopic surgeries)
- X-Rays during hospitalization (inpatients only – not typically required during arthroscopic surgeries) – does not include Radiologist’s reading fees
- Physical and Occupational Therapy services during hospitalization
- One hotel room for up to five nights at the Comfort Inn for inpatient surgeries (includes the night before the surgery)
- One hotel room for up to two nights at the Comfort Inn for outpatient surgeries (includes the night before the surgery)
- Other hotels can be selected as well. Please call Cathy McInroe at (509) 482-3957 to make your reservations. A package price adjustment of \$400 is available for those electing not to use the hotel at all (\$100 for Outpatient surgeries).
- Two extra hospital room service meal vouchers per day of hospitalization for *inpatients’* family member/caretaker, and two cafeteria meal vouchers for *outpatients’* family member/caretaker

A SISTERS OF PROVIDENCE MINISTRY

What is Not Included:

- Pre-operative initial consult with the Orthopedic Surgeon including one set of x-rays – \$275 USD (to be paid at the time of the visit)
- Pre-operative visit to Holy Family Hospital's Total Joint Program on the same day as the initial consult with the Orthopedic Surgeon - \$260 (inpatient surgeries only – see the "Surgery Category" column in the above table; to be paid at the time of the visit). Please reference the attached "Pre-Admission Information" page for more details.
- Extra resources utilized while treating complications when they are *significantly* greater than those utilized by the average orthopedic surgery patient of the same surgery type (you will be billed for these charges) *
- Extra resources utilized when treating co-morbidities (i.e. diabetes, renal failure, etc.) when they are *significantly* greater than those utilized by the average orthopedic surgery patient of the same surgery type (you will be billed for these charges) *
- Hospital stays greater than four days will be charged at \$1,300 USD per day (you will be billed for these charges) *
- Post-hospitalization Physical and/or Occupational Therapy
- Pre- and post-operative x-rays, reading fees, and diagnostic services *in the surgeon's office setting* not expressly included above
- Non-standard prosthetic implants are extra – the incremental cost will be added to the package price
- Any other professional service not mentioned above
- Take-home medications
- Post hospitalization care at an extended care facility may be arranged if necessary
- Bilateral procedures are 50% more
- Hotel stays greater than the standard included in the package price shall be paid directly to the hotel at discounted rates.

* We offer a 15% discount on these non-covered hospital-based charges if they are paid within 30 days of the bill date.

I hereby agree to all of the above provisions. Signed: _____
